***Gift bearers (wine & wafers):** Come to the narthex (foyer) when the ushers begin to pass the offering plates. The choir will be singing. When they're done, you will walk up front together as a family on one aisle and hand the items to the pastor. (The ushers go up the other aisle & hand the plates to the acolyte).

****Steeple bell:** The steeple bell is rung during the Lord's prayer. Arrive 5 minutes before worship and get a tutorial and practice! During worship: After the offering is finished; that is, when you see the ushers go forward and give the offering plates to the acolyte, you may climb upstairs to the bell tower. Someone will give you hand signals for when to ring.
